ROAD TRIP FAQs

What products are available at these stops?

We offer boxes of snack-sized satsumas and bite-sized kishus from the oldest citrus grove in coastal Georgia that produces the most colorful, flavorful citrus fruit in our so-called Peach State! Our Georgia-grown satsumas and kishus are seedless mandarins and are sweeter, juicier and easier to peel than store-bought fruit with name brands like Halos and Cuties.

Satsumas \$58

Each 20-pound box contains approximately 80 satsumas.

Kishus \$58

Each 10-pound box contains approximately 120 kishus.

Pecans \$20

Each bag contains 16 ounces of shelled pecan halves.

What are satsumas?

A constant crowd pleaser, satsuma mandarins are sweet, almost seedless and easy to peel. They are juicy with relatively low acidity.

What are kishus?

Also called “Georgia Kisses,” this variety is a sweet, seedless, easy-to-peel mandarins. Kishus are a true delicacy with extraordinary flavor.

Do I have to preorder?

We require items to be pre-ordered no later than 7 days prior to the event date in order to guarantee your order will be available on site during the event timeframe.

How do I pick up my pre-order?

We will have a special line designated for pre-order customers. When you arrive, please use the pre-order line and show our team the order-confirmation email you received, either on your phone or printed. For larger orders, we are happy to assist you with handling and loading your citrus.

What do I do if I missed the pre-order deadline?

We will have a limited quantity of Georgia citrus and pecans during our road trip stops available for walk ups. We recommend arriving at the beginning of our stops for the best chance at purchasing on site since we can't guarantee walk up sales.

Do I have to buy a whole box of citrus on the road trip?

We don't offer quantities smaller than our whole boxes, but we recommend sharing your box as a seasonal experience with friends, family, and neighbors!
