Organic Peaches \$70

Each 16-pound box contains approximately 42-64 peaches.

Triple Discount \$208

Do I have to preorder?

We require items to be pre-ordered no later than 7 days prior to the event date in order to guarantee your order will be available on site during the event timeframe. A limited amount of Georgia peaches and pecans may be available for walk up sales but cannot be guaranteed.

How do I pick up my pre-order?

We will have a special line designated for pre-order customers. When you arrive, please use the pre-order line and show our team the order-confirmation email you received, either on your phone or printed. For larger orders, we are happy to assist you with handling and loading your peaches.

What do I do if I missed the pre-order deadline?

We will have a limited quantity of Georgia peaches and pecans during our road trip stops available for walk ups. We recommend arriving at the beginning of our stops for the best chance at purchasing on site since we can't guarantee walk up sales.

Do I have to buy a whole box of peaches on the road trip?

We don't offer quantities smaller than our whole boxes, but we recommend sharing your box as a seasonal experience with friends, family, and neighbors!
