

HANDLING CITRUS

Refrigerate citrus in a vented bag or crisper drawer for maximum shelf life.

Citrus is good for 1-2 weeks at room temperature, but refrigerated citrus will stay fresh for 3-4 weeks!

HANDLING PECANS

Freeze shelled pecans in an airtight bag for maximum shelf life.

Pecans are good for a few weeks at room temperature or for several months in a refrigerator, but frozen pecans will stay fresh for up to 2 years!

CITRUS FROM THE PEACH STATE

We offer fresh citrus from the oldest citrus farm in coastal Georgia where exceptionally mature trees produce the most colorful and flavorful citrus in our so-called Peach State!
