APPLE ROAD TRIP FAQs

What products are available at these stops?

We offer bags of our most popular varieties from the Blue Ridge region of North Georgia.

- **Pink Lady Apples \$45:** Pink Lady apples are a hybrid of Golden Delicious and Lady Williams apples. They are firm, juicy, and slow to brown, making it ideal for eating, snacking, baking, and pre-packaged slices. Each half bushel bag contains approximately 25 pounds of apples.
- **Mutsu Apples \$45:** Mutsu apples are a Japanese hybrid that takes on the best qualities of different apples such as Golden Delicious, Winesap, and Rome Beauty to name a few. They keep well and are slow to oxidize, so they are excellent to use raw in recipes. Each half bushel bag contains approximately 25 pounds of apples. In the event that Mutsu apples are not available, we will replace them with a comparable Georgia-grown green apple variety, such as Gold Rush.
- **Crimson Crisp Apples \$45:** Crimson Crisp apples are extremely crisp in texture and have a rich sweet and tart balanced flavor. They are great for baking or fresh eating.
- **Pecans \$20:** Each bag contains 16 ounces of shelled pecan halves. The quantity of pecans varies with the size of the pecans, from about 200 to 300 pecan halves in each bag.
