Do I have to preorder?

We require items to be pre-ordered no later than 7 days prior to the event date in order to guarantee your order will be available on site during the event timeframe. A limited amount of Georgia peaches and pecans may be available for walk up sales but cannot be guaranteed. **You also receive discounted pricing options when you preorder!**

What should I expect after ordering?

An automated confirmation will be emailed from orders@georgiapeachtruck.com. If you do not receive a confirmation in your inbox, please check your spam folder.

Reminder emails will be sent one week as well as one day away from your pick up date. Be sure your email address is correct in your confirmation email. Reminder texts will also be sent one week as well as one day away from your pick up date if you opt in during checkout. Be sure your cell phone number is correct in your confirmation email.

How do I pick up my pre-order?

When you arrive to pick up your order, look for the white Georgia Peach Truck pop-up tent in the parking lot to find us! During inclement weather, we may move indoors!

We will have a special line designated for pre-order customers. Our road crew will look up your order using the name provided during checkout. It's fine to send a friend or family member to pick up your order. Please double check that you receive all of your preordered items before leaving.

Please bring a cart or wagon to make carrying items to your car easier. If you need further assistance, let our road crew know and we will be happy to help if able.

Pre-ordered items are non-refundable and must be picked up during the scheduled date and timeframe listed above. Missed orders will not be left at our host locations.

Properly store your products after pick up to ensure optimal quality. Georgia peach boxes have instructions printed on the box, and customers ordering organic peaches will receive a handout with their box.

What do I do if I missed the pre-order deadline?

We will have a limited quantity of Georgia peaches and pecans during our road trip stops available for walk ups. We recommend arriving at the beginning of our stops for the best chance at purchasing on site since we cannot guarantee walk up sales.

Do I have to buy a whole box of peaches on the road trip?

We don't offer quantities smaller than our whole boxes, but we recommend sharing your box as a seasonal experience with friends, family, and neighbors!
